

Certificate of Registration

This is to certify that the Quality Management System of

Applied Scintillation Technologies Limited
8 Roydonbury Industrial Estate, Harlow, Essex, CM19 5BZ

applicable to

The design, development, sale and manufacture of scintillation products and solutions, including their integration into OEM equipment and devices. The calibration of ultra-violet radiometers and white light photometers

has been assessed and registered by NQA against the provisions of

BS EN ISO 9001 : 2008

This registration is subject to the company maintaining a quality management system, to the above standard, which will be monitored by NQA.

Certification covered by accreditation demonstrates that compliance with the requirements of BS EN ISO 9001 : 2008 has been independently assessed. This does not imply compliance with BS EN ISO 17025 or that UKAS accreditation is held.
